TO WHOMSOEVER IT MAY CONCERN

This is to certify that, for the sugar factories belonging to our Group, we were looking for a reliable, efficient and price economical supplier for centrifugal machines.

After carrying out detailed investigations and having heard about the performance of ThyssenKrupp Industries India Pvt. Ltd., we decided to visit their works in India to satisfy ourselves about their activities, abilities and capabilities to match quality and performance of centrifugal machines as per our high standards required.

Having satisfied ourselves with the excellent manufacturing facilities in their works in India and the service facilities established, we decided to place a trial order with them for our

Sugar factory Cukrovar Hrusovany , Czech Republic
for discontinuous fully automatic 1750 Kg per charge centrifugal machine in 1996.

Having taken extensive trials, giving us full satisfaction, we have in operation, since then, following discontinuous and continuous centrifugal machines for various sugar factories upto 2002 :

| <u>Sugar Factory</u> | <u>Type of machine</u> | <u>Quantity</u> |
|-------------------------|------------------------------------|-----------------|
| Cukrovar Hrusovany | Discontinuous machines KB 1750 | 2 |
| Cukrownia Ropczyce S.A. | Discontinuous machines KB 1750R | 4 |

Cukrownia Lubna S.A. Continuous machine
KC 1350T 1

Cukrownia Strzyzow S.A. Continuous machine
KC 1350T 1

| <u>Sugar factory</u> | <u>Type of machine</u> | <u>Quantity</u> |
|----------------------|-----------------------------------|-----------------|
| SF Tulln | Discontinuous machines KB 1750 | 5 |
| SF Hohenau | Discontinuous machines KB 1750 | 6 |
| SF Leopoldsdorf | Discontinuous machine KB 1750 | 1 |

All the machines were delivered in time for the crushing seasons meeting all commitments made and all the machines have been accepted by the concerned sugar factories after satisfying themselves fully with the guaranteed performance.

Without hesitation, we are considering placing orders for additional machines required for our sugar factories.
